<ul style="list-style-type: none">• Important Notice/Articles for the upcoming batch.• Showcasing about – what is B-JET, it's history, program, testimonial of accomplished alumni.	<ul style="list-style-type: none">• Many important B-JET webinars, sessions, programs, success stories are scattered on different pages and groups of Facebook, YouTube etc.	<ul style="list-style-type: none">• Some unique learning roadmap, steps and resources in an organized format that will help narrow the gap between Bangla and Japanese language and culture.	<ul style="list-style-type: none">• This is the most important feature of the website. I've seen B-JET authorities go through a lot, in order to inform about B-JET to the IT students throughout the country. But I think it would be most effective if IT students can connect with the B-JET alumni themselves.• This page will contain Alumni profile – their social media, current workplace, current position, technology stack, about themselves.• I've talked with B-JET graduates on LinkedIn but searching, finding and connecting with them was not an easy task. They are really helpful and they also want to help.	<ul style="list-style-type: none">• Users can post something and other users including B-JET Alumni or website Admins can reply to the post – creating an engaging community.
